Why should I volunteer?

Volunteering is an essential part of being a member of CSG. Volunteering is an opportunity for people to get to know each other better and develop a sense of togetherness and club spirit! We are a not for profit club and rely heavily on parent involvement to fundraise to be able to run our amazing programmes.

The sausage sizzle also provides a service to the recreational families/gymnasts who train on a Saturday morning. Those same families/gymnasts are the ones who subsidise the competitive squad fees and keep them at an attainable level.

What is the money raised used for?

The funds raised go towards travel and accommodation for coaches at away competitions and trials, for example Marlborough Champs, Mason Gillespie and the MAG 360 squad talent ID in Auckland.
